SUSTAINABLE

You can rely on it.

Textiles with the MADE IN GREEN label are:

**Made using materials tested
for harmful substances**

Verified by systematic testing performed
in one of the OEKO-TEX® member
institutes' laboratories

**Made in environmentally
friendly facilities**

Monitored for the responsible handling
of chemicals and resources as well
as using environmentally friendly
production technology

**Made in safe and
socially responsible
workplaces**

In verifiably fair working conditions
without child or forced labour

TRANSPARENT

Take a look.

Every product bearing a MADE IN GREEN label or hang tag has its own unique product ID or QR code, allowing you to trace the article's supply chain in a transparent manner.

Product ID and QR code give you:

- ✓ Confirmation that this article meets all MADE IN GREEN criteria
- ✓ An overview of the stages involved in manufacturing the article, from the production of the yarns to the finished article of clothing
- ✓ Useful information on the individual manufacturer

RELIABLE

As buying decisions become more complicated and corporate transparency becomes more elusive, it is important to have clarity and safety in the essential items families need, especially those things that come into contact with our skin. The MADE IN GREEN label was developed to give you this certainty. **MADE IN GREEN** means that it was **Made with you in mind.**
