

OEKO-TEX® is a global certification scheme for textile and leather sustainability with headquarters in Zurich, Switzerland. Based on its broad expertise, OEKO-TEX® offers various certifications for textiles, clothing, leather goods, chemicals and sustainable production conditions. OEKO-TEX® certifications and labels enjoy a high reputation worldwide among partners in the industry and consumers.

Are you passionate about quality, sustainability and shaping the future of textile and leather standards?

To complement our team at the head office in Zurich, we are looking for a committed, dynamic person by appointment.

You have a proven track record in quality management, auditing, project management and leadership. This role requires a strategic thinker with strong analytical and problem-solving skills.

Head of Quality Management & Audit (100% - f/m/d)

We offer you an exciting position that you can develop.

Your area of responsibility:

- Define and implement the quality management and audit strategy in line with OEKO-TEX® standards and regulatory requirements
- Manage the implementation and continuous improvement of quality management systems across certification and audit processes
- Analysing data to identify opportunities for improvement and producing reports
- Monitoring and evaluating the effectiveness of quality control measures
- Planning, execution and evaluation of internal and external audits
- Ensure audit methodologies remain current with evolving regulatory and industry requirements
- Investigating complaints and implementing corrective actions
- Lead and develop a team of Quality Managers and Junior Quality Managers
- Partner with certificate holders, certification bodies and internal departments to align quality standards across the organisation
- Collaborate with the Product Management Team for evaluation and further development of certifications

**Your profile:**

- Minimum 8-10 years proven experience in quality management and audits, preferably in the textile or certification industry
- Master's degree in a relevant field (quality management, textile technology or textile engineer)
- Strong knowledge of quality management systems and international audit standards
- Strong analytical, problem-solving and decision-making skills. Excellent interpersonal skills, very structured and detailed in the way of working
- Excellent communication with the ability to effectively collaborate with cross functional groups
- Strong leadership skills, with excellent written & spoken English
- Willingness to travel is required (15%)

What we can offer:

OEKO-TEX® offers you a responsible, versatile and attractive job in an international environment. The excellent brand name, forward-looking products and a motivated team will flank your activities.

- Personal freedom to develop exciting projects
- Ownership and responsibility for successfully implementing projects
- A dynamic and motivated team with the commitment to change and a passion for sustainability
- A central office close to Lake Zurich

If you find yourself in this job description, we look forward to receiving your meaningful and complete application documents to recruiting@oeko-tex.com.
